## About the NYC School Survey

The NYC School Survey is administered every year to students in grades 6-12 and to families and teachers of children in grades K-12. The survey is designed to collect information about each school's ability to support student success.

### Survey Response Rates

Response rates show what percentage of the school community actually completed the survey. Higher response rates tell us that the results of the survey reflect the views of a larger portion of the group surveyed.

Families: 27% (75 surveys submitted)  
Teachers: 89% (25 surveys submitted)  
Students: 92% (129 surveys submitted)
